AMERITECH CONSULTING GROUP

SBA U.S. Small Business Administration — **WOSB CERTIFIED**
SBA U.S. Small Business Administration — **EDWOSB CERTIFIED**

CAPABILITY STATEMENT

ACG

Consulting | Technology | Managed Services

Ameritech **Consulting Group** is a women-owned consulting firm that delivers management advisory services, information technology and digital solutions, community engagement, program implementation, and professional development and capacity-building support to local, state, and federal government organizations.

We partner with local, state, and federal agencies to deliver practical, people-centered solutions that strengthen service delivery, improve access to digital resources, and enhance organizational performance.

What sets ACG apart from the competition?

- Client & Customer-Centered Approach
- Multi-Cultural Perspective
- Community & Equity Focus
- Technology-Driven Approach
- WOSB Small-Business Advantage
- Bilingual (English-Spanish)
- Multidisciplinary Industry Expertise

CORE CAPABILITIES

Our experts help organizations solve complex challenges, strengthen decision-making, and optimize performance in:

- Project Management & Implementation
- Urban Planning & Policy Support
- Community Outreach & Engagement
- Information & Digital Technology Services
- Data Collection, Analysis & Reporting
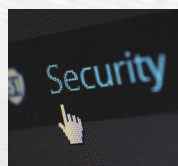

CORE COMPETENCIES

- Government-Focused Expertise
- Women-Owned, Mission-Driven Leadership
- Cross-Functional & Interdisciplinary Teams
- Data-Informed & Results-Oriented Approach
- Collaborative & Client-Centered Delivery
- Scalable & Sustainable Solutions

Consulting | Management & Advisory Solutions

ACG is instrumental with strategic consulting solutions to help organizations solve complex challenges, and optimize performance. Through research, analysis, and tailored advisory support, we deliver actionable insights that enhance project and program outcomes.

Core Solutions:

- Customized solutions aligned with organizational priorities
- Program evaluation, and performance analysis
- Policy planning, and community impact advisory solutions
- Market, demographic, and community research insights
- Cybersecurity protection, regulation, and risk mitigation

Information Technology & Digital Solutions

ACG provides comprehensive computer, technology, and digital solutions to improve technological infrastructure, enhance workforce capabilities, and improve system performance. We help organizations modernize operations, retrain staff, and increase security readiness.

Core Solutions:

- Help desk, troubleshooting and ticket support systems
- Training on proprietary software or refresh systems
- Cybersecurity awareness, and digital operations training
- Regulatory and compliance protocols
- Risk management and data privacy practices

Community Relations & Program Implementation

ACG leads comprehensive outreach and engagement initiatives that strengthen community relationships, and support program delivery. Through effective communication, data-driven reporting, and field team oversight, we ensure programs reach the individuals and neighborhoods they are designed to serve.

Core Solutions:

- Coordination for outreach and engagement strategies and social-impact initiatives
- Recruitment, on boarding, training, and field team coordination
- Stakeholder engagement, coalition building, and partnership management
- Data collection, reporting, compliance, and analysis

Professional Development & Capacity Building

ACG delivers comprehensive training and capacity-building solutions that strengthen workforce readiness, enhance leadership capability. Our approach supports organizational development, while empowering individuals to grow, adapt, and excel in evolving environments.

Core Solutions:

- Digital literacy and technology development workshops
- Liaison with community leaders, residents, and stakeholders
- Health/Wellness, Life-style nutrition, and yoga
- Cybersecurity compliance, and policy training
